AuSM Social Skills Classes

Led by autism experts, AuSM social skills classes foster confidence and self-esteem while participants make friends, interact with a group, practice socializing, and have fun – all while educators encourage participants to be themselves. Classes offer low-stress, accepting environments that promote learning and growth while celebrating neurodiversity. Class venues include CsZ Twin Cities, Three Rivers Park District, Minnesota Zoo, and others.

AuSM Skillshops

AuSM Skillshops are a skill-building series of workshops for people who care for individuals on the autism spectrum. Classes are designed with a "hands-on" approach, encouraging participation, discussion and problem-solving. AuSM Skillshops are located on location at Lionsgate Academy, Lindamood-Bell, St. David's Center, and University of St. Thomas. See AuSM website for details.

AuSM Camp
