AuSM Social Skills Classes

Led by autism experts, AuSM social skills classes foster confidence and self-esteem while participants make friends, interact with a group, practice socializing, and have fun – all while educators encourage participants to be themselves. Classes offer low-stress, accepting environments that promote learning and growth while celebrating neurodiversity. Class venues include CsZ Twin Cities, Toneworks, Como Park Zoo and Conservatory, and others.

AuSM Autism Training

AuSM provides state-wide trainings on autism and related topics, including anxiety, autism and employment, practical and inclusion strategies, emergency preparedness, and transition needs.

AuSM Skillshops

AuSM Skillshops are a skill-building series of workshops for people who care for individuals on the autism spectrum. Classes are designed with a "hands-on" approach, encouraging participation, discussion and problem-solving. AuSM Skillshops are located on location at Lionsgate Academy, Academy of Whole Learning, St. David's Center, Fraser, Eden Prairie Community Center, Minnesota Life College, University of St. Thomas, and Merrick, Inc. See AuSM website for details.

AuSM Camp

AuSM Summer Camps are staffed with experienced directors, medical staff, therapists and counselors who understand the need for structure, visual schedules, environmental supports, social stories and individualized communication systems. Campers ages 6 and up can enjoy a summer experience in a safe, fun-filled environment.

AuSM Golf Classic

The AuSM Golf Classic gives golfers a chance to make a difference in the lives of those with autism, while golfing on the amazing Royal Golf Club in St. Elmo.
