AuSM Social Skills Classes

Led by autism experts, AuSM social skills classes foster confidence and self-esteem while participants make friends, interact with a group, practice socializing, and have fun – all while educators encourage participants to be themselves. Classes offer low-stress, accepting environments that promote learning and growth while celebrating neurodiversity. Class venues include CsZ Twin Cities, Toneworks, Como Park Zoo and Conservatory, and others.

AuSM Skillshops are located on location at Lionsgate Academy, Academy of Whole Learning, St. David's Center, Fraser, Minnesota Life College, University of St. Thomas, and Merrick, Inc. See AuSM website for details.
