

# Work at AuSM's 2019 Summer Social Skills Programs

AuSM is looking for motivated individuals interested in getting direct support experience, learning and practicing strategies, and gaining awareness of the unique challenges that individuals with autism experience. AuSM social skills classes offer low-stress, accepting environments that promote learning and growth while celebrating neurodiversity. Social skills classes are staffed at a 1:4 staff-to-participant ratio. If you are interested in a career in the healthcare field, in education, or in working with individuals on the spectrum (e.g. nursing, education, special education, speech therapy, music therapy, occupational therapy, speech pathology, and more), consider taking advantage of this hands-on experience that will make a difference in the lives of all class participants.

## AuSM Summer Social Skills Classes

Apply for the classes that best fit your schedule and interests.

## AuSM Social Skills Instructors

- Get valuable hands-on experience using structure, environmental supports, social narratives, and other evidence-based practices.
- Apply to work during one or multiple sessions.
- Do it! As an AuSM social skills instructor, you not only gain personal experience, you touch the lives of individuals with autism by providing unique community-based experiences.
- Social skills applicants must be at least 18-years-old to apply.
