

Summer FUN is for everyone!

Work at AuSM's 2021 Summer Recreation Programs

AuSM is looking for recreation day program and residential camp staff who are interested in getting direct support experience while learning and practicing strategies with individuals with autism. If you are interested in a career in the healthcare field, in education, or in working with individuals on the spectrum (e.g., nursing, education, special ed., speech therapy, occupational therapy, and more), we have some great opportunities for you! COVID protocols will be followed for the safety of staff and participants.

AuSM Recreation Day Programs
