

Kids Sensory-Friendly COVID-19 Vaccine Clinic

Dec. 18, 2021 from 10 a.m.-4 p.m.

The Autism Society of Minnesota, Multicultural Autism Action Network (MAAN), and Spero Academy are partnering with Hennepin Healthcare to offer a COVID-19 vaccine clinic for kids and families.

Dec. 18, 2021 from 10 a.m.-4 p.m.

WALK-INS ARE WELCOME!

Spero Academy
2701 California St. N.E.
Minneapolis, MN 55418

Join us for a sensory-friendly COVID-19 vaccine clinic for kids and their family members on Saturday, Dec. 18 from 10 a.m.-4 p.m. The clinic will include private vaccine areas as well as other accommodations to make your child's vaccine

experience go as smoothly as possible. First vaccines will be available for family members as well as boosters for those who qualify.

Register for a vaccine appointment online through the QR code or URL or walk-in and register on site Dec. 18.
