

The purpose of this study is to explore the experiences of parents of autistic young adults who have supported their child through high school transition planning and into achieving competitive, integrated employment.

**What am I being asked to do?** If you agree to be in this study, you will be asked to:

**What:** Return one signed consent form to the researcher by email to [silv0100@umn.edu](mailto:silv0100@umn.edu)

**Where: Zoom Video Conference or In-person if in the Minneapolis-St. Paul metro**

**How:** Participate in a Zoom interview that may take 60-90 minutes

**When:** The researcher will notify you regarding date and time

**Audiotaping:** The researcher would like to record the audio of your Zoom interview or in-person interview

#### **Location**

- In-person interviews or through Zoom

#### **Are you eligible?**

**You can participate in this study if you:**

- Are the parent of a young autistic adult (18 or older)
- Your child has been employed in at least one competitive, integrated job. Competitive, integrated employment is a job in the same environment and that pays the same wage as people who are not autistic.
- Speak and understand English

**If you are unsure if you meet the requirements, please call or email the study investigator:**
