

The mission of the Autism Society of Minnesota (AuSM) is to create connections, empowering everyone in the autism community with the resources needed to live fully.

AuSM seeks to enhance the lives of all who are part of the Minnesota autism community, with a fundamental commitment to advocacy, education, support, collaboration, and community building.

BECOME A COMMUNITY PARTNER WITH AUSM

We know that our sponsors want a presence anywhere you can find our community. That's why we created the Community Partner Package: it's a chance for you to exhibit at all four of our major events in 2024. With a prevalence rate of 1 in 34 and a population of more than 5 million people, Minnesota is estimated to have more than 150,000 autistic people. You'll reach thousands of these people as a community partner, including the 90,000+ users we see annually on our website, our 15,000+ social media followers, and get directly into the hands of over 7500 opt-in subscribers to our e-newsletter.

Community Partner Packages are \$1,499 and you'll receive an exhibit booth at every AuSM event, plus recognition on our website and in-person at each event! You'll save \$100, and get 2 free sponsorships of AuSM's e-newsletter.

Share your message as a sponsor today! Visit www.ausm.org to sponsor.
