

# TO CONFERENCE

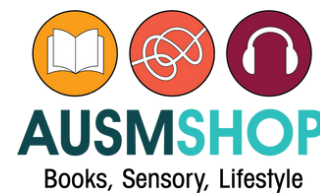

## Why should an educator attend the conference?

The Minnesota Autism Conference is a great place for educators to stay up to date on the latest best practices and research for autism. Not only will you walk away with practical strategies that will help you with everything from behaviors to social skills, you also will connect with other educators. This is THE place for an educator to be for the most comprehensive information on

autism. This guide will help you find the sessions and resources that are tailored for educators. If you're looking for ways to attend the conference at a more affordable rate, AuSM is looking for volunteers. All volunteers receive a discounted rate to the conference. Email [kulrick@ausm.org](mailto:kulrick@ausm.org) to volunteer. All participants will receive a Certificate of Attendance you can use for CEUs.

## AuSM Shop

To help you keep growing throughout the year, we've stocked our AuSM Shop with hand-selected titles to address all ages and concerns, from behaviors to sensory issues to relationships. If you're looking for help with a particular topic, visit the AuSM Shop and we will help you find the right resource. We'll also have tons of fidgets ready for any classroom.
