Coming to and Going From Camp

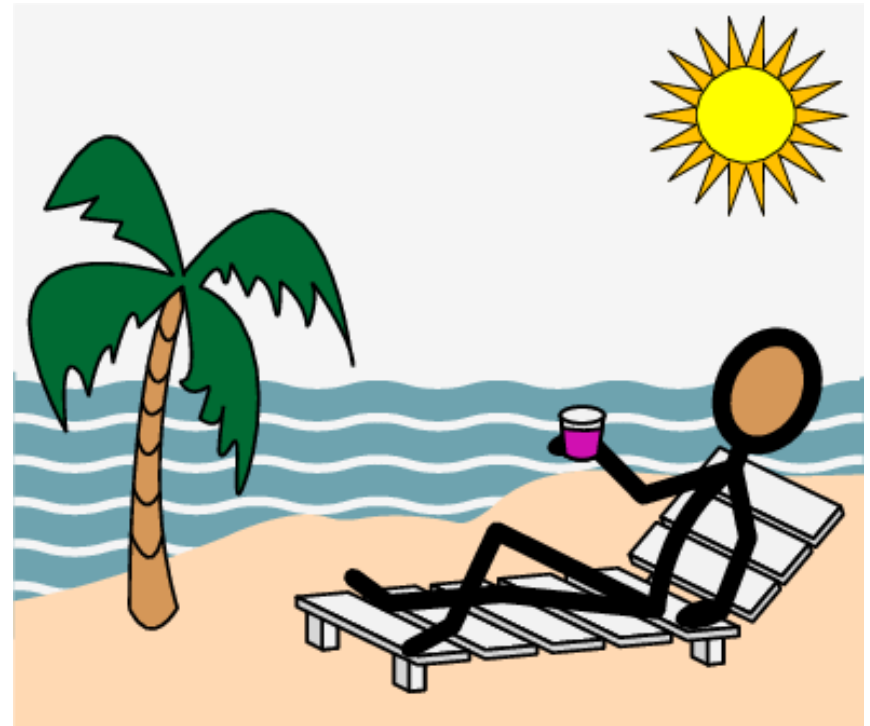

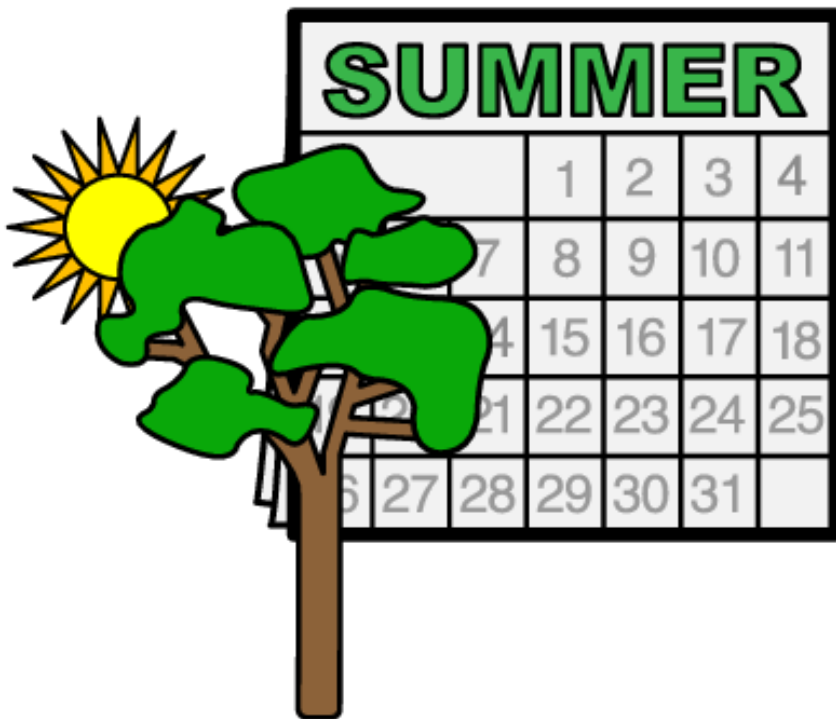

autism society of minnesota
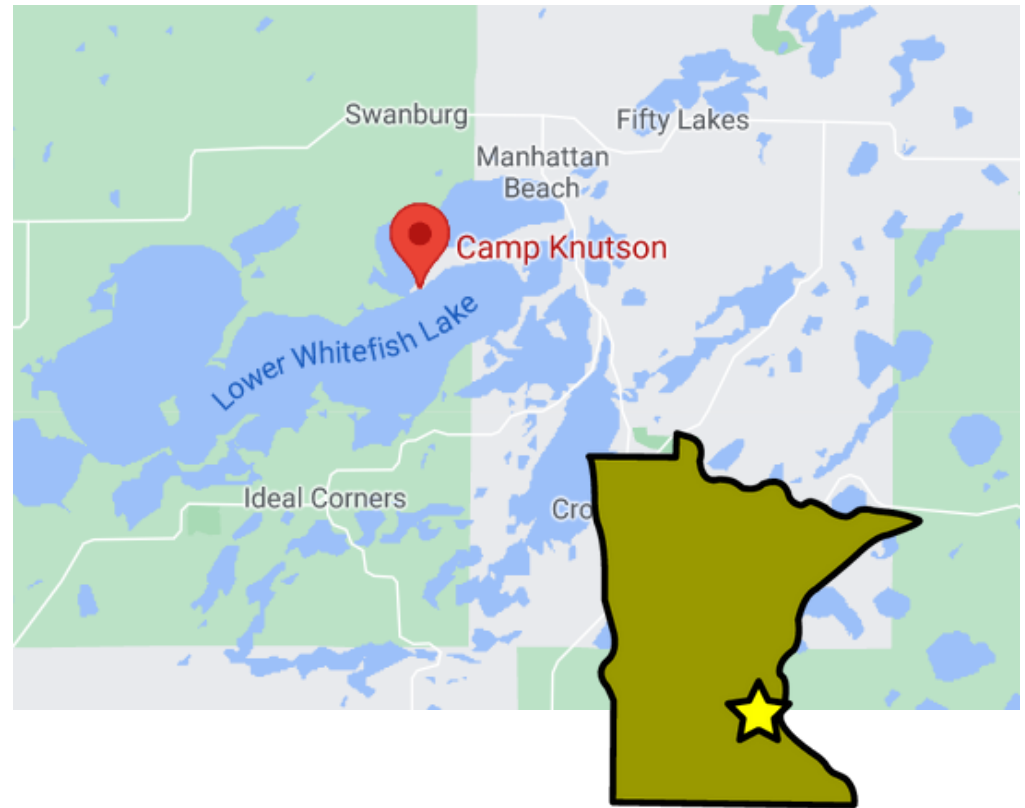

Minnesota's First Autism Resource®

It is my summer vacation!

This summer, I am going up to Camp Hand in Hand.
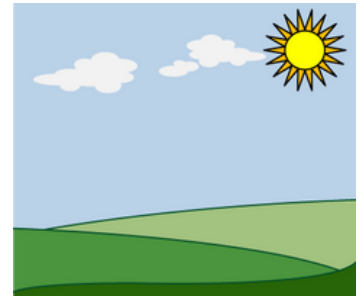

This camp is at Camp Knutson in Crosslake, Minnesota.

I will stay at Camp Hand in Hand for 4 nights and 5 days. Then I will go home.

# I might have to drive a long time to get there.
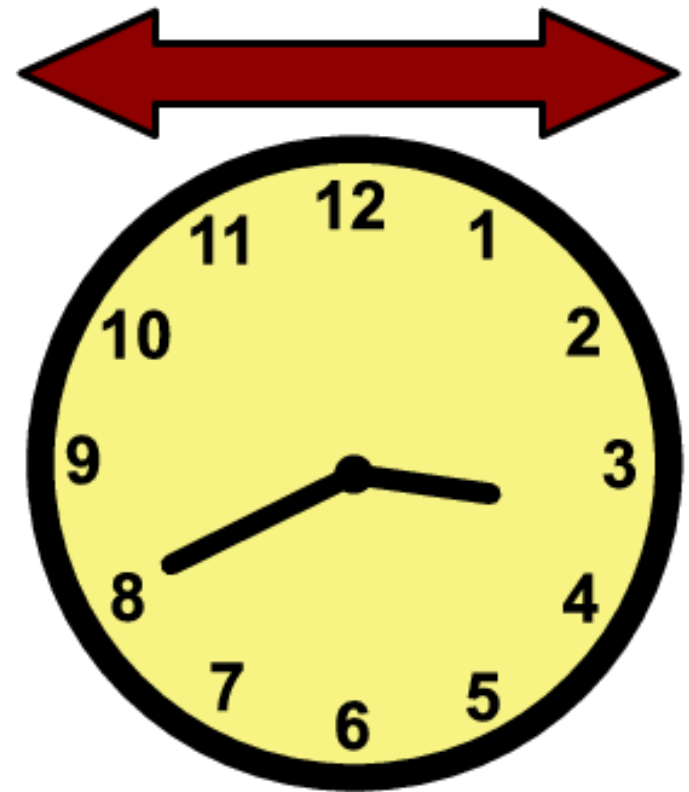

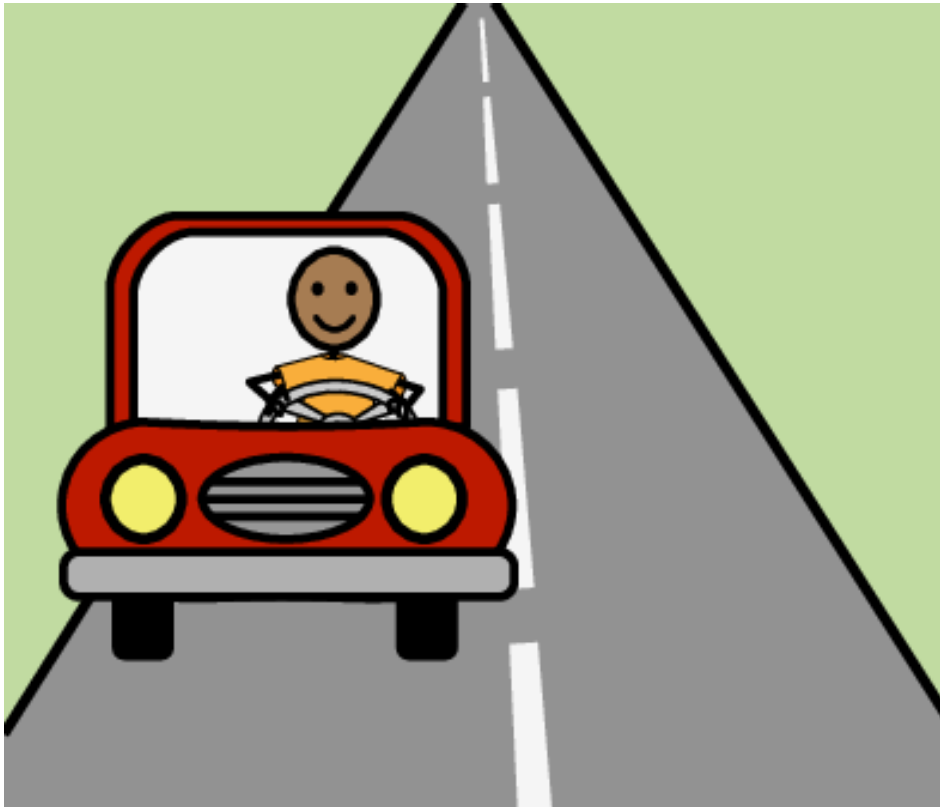

When I get to camp, I will check myself in.

# My car might have to wait before I check in.
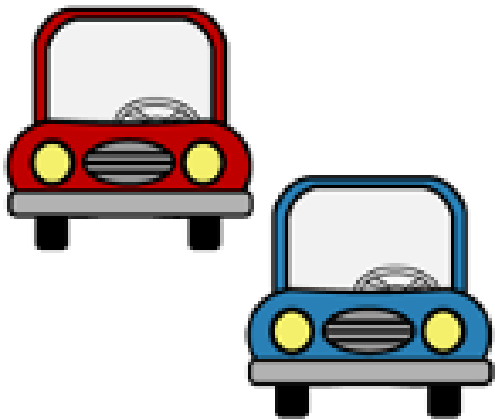

# When it is my turn to check in, I can get out of the car.

# I will meet my counselor for the week.

# I can say goodbye to my ride and family. I will see them at the end of camp.

# Camp staff will grab my suitcases and things, to bring to my cabin.
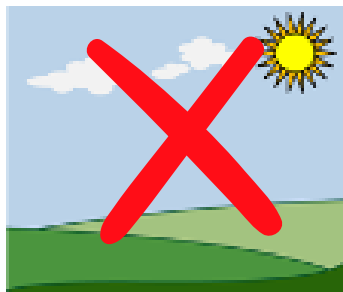

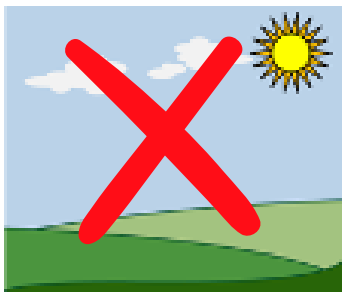

# My stuff will be unpacked and ready for me for the end of the night.
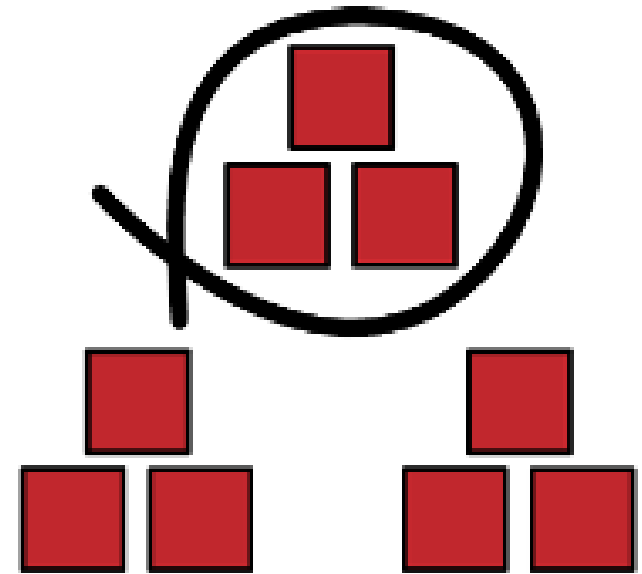

# My counselor and I will go do welcome activities and games.

# After camp, it will be time to go home.

I will wake up and get ready for the morning.

I will have my last breakfast with my group.

Then, I will go do morning activities for with my group.

During morning activities, my ride might be here! That is okay.
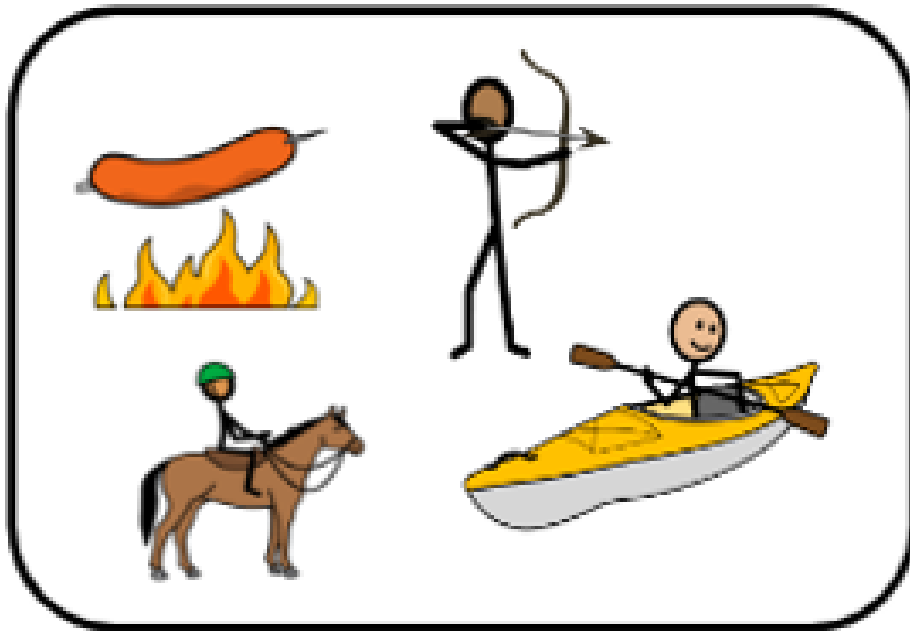

# My ride will check in with camp directors.

My stuff will be packed and ready at the ball field.

Someone will tell me it's time to go home!

When it's my turn to leave, I can say goodbye to all my friends.

It is okay if I am happy or sad about going home.

I can remind myself about the fun times I had at camp this year.
