

With a prevalence rate of one in 34 and a population of more than five million people, Minnesota is estimated to have more than 150,000 autistic people. You'll reach thousands of these people as an AuSM sponsor, including the 90,000+ users we see annually on our website, our 15,000+ social media followers, and get directly into the hands of over 7,500 opt-in subscribers to our e-newsletter. Connect with this community as a Community Partner or by sponsoring multiple events!

COMMUNITY PARTNERSHIP

We know that our sponsors want a presence anywhere you can find our community. That's why we created the Community Partner Package: it's a chance for you to exhibit at all four of our major events in 2025.

Community Partner Packages are \$1,599 and you'll receive an exhibit booth at every AuSM event, plus recognition on our website and in-person at each event! You'll save \$100, and get **two free sponsorships** of AuSM's e-newsletter.

SPONSOR PACKAGES

You want to have a presence at the events that are right for your company. That's why we've created new, customizable packages. You can pair any two AuSM events to get discounts: you can sponsor the way you want at the level that you want.

Select your events and sponsorship level to save \$100 and get **two free sponsorships** of AuSM's e-newsletter.
