OUR PURPOSE

We seek to examine Black/African American and Latinx families' experiences of stigma to explore impacts on quality of life.

WHO ARE WE SEEKING TO PARTICIPATE?

We are recruiting Black/African American and Latinx caregivers of autistic individuals between the ages of 3 to 21 residing in the United States.

WHAT DOES PARTICIPATION ENTAIL?

After a brief screener survey, you'll complete brief online questionnaires. Participation should take about 30 minutes. Following completion of the questionnaires, you will receive a \$10 electronic gift card to thank you for your time.
