Researchers at University of Maryland
& Towson University are

Seeking Immigrant Autistic Adults for Interviews!

Who Can Participate?

To participate, you must:

- Be 18 years old or older
- Be on the autism spectrum (including Asperger's)
- Be a foreign-born resident of the United States**

***No further information regarding immigration status will be required to participate in this study.*

Interested? Please scan the QR code below to see if you may be eligible to participate!

What Will Happen?

- We will conduct a 1-hour interview to learn about your work and educational experiences after high school.
- Interviews can be interpreted in your preferred language and communication method.

Participants will receive a \$25 Amazon gift card for their time!
