

# PARTICIPANTS NEEDED

## WE ARE RECRUITING AUTISTIC HUMAN SERVICES WORKERS TO PARTICIPATE IN A SURVEY ON WORKPLACE INCLUSION AND WELLBEING

- Do you identify as autistic? (formally or self diagnosed)
- Are you 18 years or older and **currently** working in a paid **human services** job in Canada or the USA?
- Do you want to share your experiences with workplace inclusion and wellbeing in an online survey?

- Human services include organizations that help individuals enhance their quality of life and wellbeing by providing emotional, psychological, mental and physical health, and/or basic needs support. Some examples include foodbanks, shelters, counseling, healthcare, and newcomer settlement.
- Participating in this survey will help us better understand the experiences of autistic human service workers to inform the development of more autistic-inclusive policies and practices.
- Participants will be compensated for their time.
