

Are you interested in learning more about Section 504 plans in school settings?

What is our purpose?

We are conducting a research study about an online training to educate individuals with disabilities and their families about Section 504 of the Rehabilitation Act of 1973.

Who can participate?

You must be one of the following:

- A family caregiver of a child who currently has a Section 504 plan from school.
- A person with a disability who currently has a Section 504 plan from school.

What will you do?

You will be randomly assigned to either complete the training immediately (beginning the week of September 28, 2026) or you will receive written training materials and complete the training in six months (beginning the week of May 10, 2027). You will be asked to complete pre, post, and follow-up surveys, participate in the training (1.5-hour weekly sessions over 7 weeks) and complete formative and summative evaluations about the program.
